Kerne Bridge
Be aware that the current after the bridge could take you towards the right hand bank and the overhanging trees. Go to the right of the small river island immediately afterwards.

Landing point after bridge on left. Don't leave canoes tied up in river or obstruct ramp or steps. Take canoes up onto the grass. Inn on the Wye 350m.

Current going from left to right.

Hazard
Island in middle of river. Approach with caution! Once committed do not adjust your approach.
