Kerne Bridge
Be aware that the current after the bridge could take you towards the right hand bank and the overhanging trees. Go to the right of the small river island immediately afterwards.

Landing point after bridge on left. Don't leave canoes tied up in river or obstruct ramp or steps. Take canoes up onto the grass. Inn on the Wye 350m.

Current going from left to right.

Hazard
Island in the middle of the river. Approach with caution!. Once committed do not adjust your approach

Your finish point is at The Paddocks Hotel which is on your right side. Its indicated by a large bolder on river left and the beach area opposite. You will see a large red sign stating Ross on Wye Canoe Hire Get Out Point.

Not to scale.
